

REMARKS

Applicants amended some claims to eliminate multiple dependency and to improve their form. The amendments are not made for any reasons related to patentability. Support for all of the amendments is found in the application, considered as a whole, e.g., at page 8, lines 8-10, original claim 8, page 12, lines 4-9, page 26, line 4 and page 26, lines 36-39. Support for new claim 42 is found in the original claim 30.

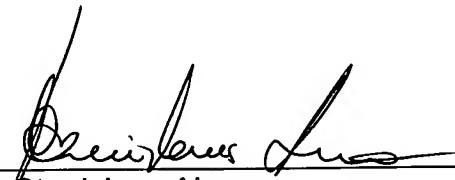

Applicants submit that all claims are in condition for allowance, an indication of which is solicited.

Authorization is hereby granted to charge or credit the undersigned's Deposit Account No. 50-0206 for any fees or overpayments related to the entry of this Amendment.

Respectfully submitted,
